

## NRMM system update (April 2021)

A new feature has been introduced into the NRMM system with effect from April 2021 to facilitate multiple applications of NRMM of the same machine model.

Please follow the steps below if you would like to submit multiple NRMM applications of the same machine model.

1) Login to the Non-road Mobile Machinery System

(<https://nrmm.epd.gov.hk/application/common/home>), enter "Submission of Application"

**Environmental Protection Department**  
The Government of the Hong Kong  
Special Administrative Region

**Non-Road Mobile Machinery**

GovHK 香港政府一站通 简体版 繁體版

**Submission of Application**

**Profile of User**

**Summary of Application**

**Successfully Login**

Please use the navigation bar on the left for submitting online applications for NRMM or your applications.

2) Enter "Application Form for Approval of NRMM (BATCH)".

**Submission of Application**

**Profile of User**

**Summary of Application**

**Application Status Inquiry**

**Submission of Application**

Please submit the application by completing the on-line application forms:

[Application Form for Approval of NRMM](#)

[Application Form for Approval of NRMM \(BATCH\)](#)

3) Fill in the machine and engine model and relevant information in Part D(a)(b) of the application form.

**Part D: Information of NRMM** [Back to to](#)

**(a) Information of machine :**

<b>Type *</b>	<input checked="" type="radio"/> Regulated machine <input type="text" value="N/A"/> <input type="button" value="v"/> <input type="text" value="N/A"/> <input type="radio"/> Non-road Vehicle <input type="text" value="N/A"/> <input type="button" value="v"/>
<b>Trade name *</b>	<input type="text" value="N/A"/>
<b>Model *</b>	<input type="text" value="N/A"/>
<b>Year of manufacture</b>	<input type="text" value="N/A"/>

**(b) Information of engine installed in the machine :**

Type (CI: compression ignition, PI: positive ignition) *	Make *	Model *	Fuel type *	Rated power output (kW) *	Emission standards *
<input type="radio"/> CI <input type="radio"/> PI	<input type="text" value="N/A"/>	<input type="text" value="N/A"/>	<input type="radio"/> Diesel <input type="radio"/> Petrol <input type="radio"/> LPG <input type="radio"/> Others <input type="text" value="N/A"/>	<input type="text" value="N/A"/>	<input type="text" value="N/A"/> <input type="button" value="v"/> <input type="text" value="N/A"/>

4) Fill in the machine and engine serial number and Part D(c) of the application form. If you would like to apply for other NRMMs with the same engine and machine model, please click “Add serial number”, fill in the machine and engine serial number and upload the supporting document.

**(c) Machine and engine serial number batch input :**

<input type="button" value="+ Add serial number"/>	<input type="button" value="Delete serial number"/>	Machine serial number *	Engine serial number *	File *
		<input type="text" value="N/A"/>	<input type="text" value="N/A"/>	<input type="button" value="Attach files"/>
		<input type="text" value="N/A"/>	<input type="text" value="N/A"/>	<input type="button" value="Attach files"/>

Should you have any queries, please feel free to contact us at 2594 6590 or [nonroadenq@epd.gov.hk](mailto:nonroadenq@epd.gov.hk).
